# Message From the Manager

It's hard to believe that we are already 2 months into the new year.

Looking ahead, we are in the process of commencing the West Extension (Function Centre) along with some exciting upgrades in bistro, new kids room and ice-creamery. This has been a long time in the planning, with an expected building time frame of 10 months.

This year the Club and its staff have again made every effort to ensure its product and level of service have met the satisfaction of our members and guests.

The Club continues to offer members benefits with its My Club Rewards programme, loyalty points can be received and redeemed with the use of your membership card throughout the Club along with members only discounts on most food and beverage products and the ever popular Birthday Voucher is available for collection via the My Club Rewards kiosks located at both entrances during the month of your birthday. The programme is supported by the Clubs raffles and happy hours held every Wednesday and Friday evening which now offers all Full and Bowling members the opportunity to win a minimum of \$500.00 via the members draw. You must be present if your name is drawn to be eligible to win.

If you are wanting to try a fantastic sport that everyone in the family can enjoy then bowls provides the perfect opportunity, Twilight Bowls is run every Monday evening during daylight savings, for \$10.00 you receive a BBQ/buffet style dinner and friendly advice on how to play.

On behalf of the Board, Management and staff of the Morwell Bowling Club I would thank you for your continued support which enables us to provide a fantastic community sporting Club and provide further support to our local community. "Our Community, Your Club"

## Congratulations to our newly appointed Life Members 2021
